Introduction

At Ernehale Flying High Academies (FHA) we have a **zero-tolerance** approach to all forms of child-on-child abuse including sexual violence, sexual harassment (SVSH) and harmful sexual behaviour (HSB). We believe that child-on-child abuse is never acceptable, and it will not be tolerated. It will **never** be passed off as “banter,” “just having a laugh,” “a part of growing up” or “boys being boys.” We will **respond to all signs, reports, and concerns** of child-on-child abuse, including those that have happened outside of our school premises, and/or online. We recognise that children are vulnerable to and capable of abusing their peers, we take such abuse as seriously as abuse perpetrated by an adult. We recognise that even if there are no reports it does not mean it is not happening, it may be the case that it is just not being reported – We understand that certain children may face additional barriers to telling someone because of their vulnerability, disability, sex, ethnicity, and/or sexual orientation. We acknowledge that children who have allegedly abused their peers or displayed harmful sexual behaviour are themselves vulnerable. We are committed to a whole school approach to ensure the prevention, early identification, and appropriate management of child-on-child abuse within our school and beyond.

In cases where child-on-child abuse is suspected or identified we will follow our Child Protection procedures, taking a contextual, trauma-informed, and strengths-based approach to support all children who have been affected by the situation including the victim(s) (the child who has been, or the children who have been harmed) and **alleged** perpetrator (the child who has allegedly harmed a child or children).

Policy Development

This policy has been developed to reflect the most recent Keeping Children Safe in Education (KCSiE) Statutory Guidance (1 September 2024) and was formulated in consultation with the whole school community with input from: staff and Governors.

This policy is available:

- Online on the school website (<https://www.ernehalefha.co.uk/>)
- From the school office

This policy is reviewed and evaluated throughout the academic year. It is updated annually.

Roles and Responsibilities

All staff working with children maintain an attitude of ‘**it could happen here,**’ and this is especially important when considering child-on-child abuse.

The Head teacher, Carmel Atkinson, has overall responsibility for the policy and its implementation and liaising with the Governing body, parents/carers, LA (Local Authority), and outside agencies.

Safeguarding is everyone’s responsibility – however all staff, parents/carers and pupils need to be aware of who to report to and how to report any safeguarding concerns. The Designated Safeguarding Lead/Leads (DSL) and their Deputy/Deputies in our school are Carmel Atkinson, Rosie Clapham and Emma Williams.

The nominated Governor with responsibility for child-on-child abuse is Gareth Armstrong-Jones.

Definitions

Child-on-child abuse is most likely to include, but may not be limited to:

- Bullying (including cyberbullying, prejudiced-based and discriminatory bullying)
- Abuse in intimate personal relationships between children, (sometimes known as ‘teenage relationship abuse’)

- Physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm (this may include an online element which facilitates, threatens and/or encourages physical abuse)
- Sexual violence, such as rape, assault by penetration and sexual assault; (this may include an online element which facilitates, threatens and/or encourages sexual violence)
- Sexual harassment, such as sexual comments, remarks, jokes, and online sexual harassment, which may be standalone or part of a broader pattern of abuse
- Causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party
- Consensual and non-consensual sharing of nude or semi-nude images and/or videos (also known as sexting or youth produced sexual imagery)
- Upskirting (which is a criminal offence), which typically involves taking a picture under a person's clothing without their permission, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress, or alarm
- Initiation/hazing type violence and rituals (this could include activities involving harassment, abuse, or humiliation used as a way of initiating a person into a group and may also include an online element). This may also be an indicator of wider exploitation such as Child Sexual Exploitation (CSE) and/or Child Criminal Exploitation (CCE) and/or County Lines.

Staff are aware that technology is a significant component in many safeguarding and wellbeing issues. Children are at risk of abuse and other risks online as well as face to face. In many cases abuse and other risks will take place concurrently both online and offline. Children can also abuse other children online, this can take the form of abusive, harassing, and misogynistic/misandrist messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography to those who do not want to receive such content.

Recognising:

At Ernehale Flying High Academies we recognise that behaviours associated with child-on-child abuse take place on a spectrum. Understanding where a child's behaviour falls on this spectrum is essential to being able to respond appropriately to it.

We recognise that all children grow and develop at their own pace. We will use our professional judgement and knowledge of child development when responding to child-on-child abuse.

Reporting and Responding:

At Ernehale Flying High Academies we want children, parents/carers, staff, and visitors to confidently report abuse, knowing their concerns will be treated seriously. We recognise that our school's initial response to a report of child-on-child abuse is incredibly important - how we respond to a report can encourage or undermine the confidence of future victims to report or come forward. As a school we will also respond to reports of alleged child-on-child abuse that have occurred online or outside of school. These reports will be treated seriously, and the school remains committed to supporting and safeguarding all parties including the victim(s) (the child who has been, or the children who have been harmed), alleged perpetrator (the child who has allegedly harmed a child or children), and any other child(ren) who may be affected.

We will make decisions on a case-by-case basis, with the Designated Safeguarding Lead (or a deputy) taking the leading role and using their professional judgement, supported by other agencies, such as the Local Authority, Children's Social Care, and the Police as appropriate. We will ensure that we reference and follow other school policies and procedures as appropriate.

We have clear reporting systems for each group of our school community: the effectiveness of these reporting systems is reviewed throughout the academic year and may be expanded to meet the needs of all members of our community.

Children (including bystanders):

It is important to understand that a victim (A child who has been harmed) may not find it easy to tell staff about their abuse verbally – some children may face additional barriers to telling someone because of their vulnerability, disability, sex, ethnicity, and/or sexual orientation. Children can show signs or act in ways that they hope adults will notice and react to. In some cases, the victim (a child who has been harmed) may not make a direct report. We recognise that in some instances another child may report on another child's behalf. All children will know how to report concerns or incidents of child-on-child abuse.

We ask that all children report any concerning behaviour to a member of school staff – this can be any member of teaching or non-teaching staff, including a class teacher, a TA, the Head teacher, a lunchtime supervisor, or a member of the office team. We talk about trusted adults regularly in class and in assemblies to remind our children of who they can report concerns to.

The member of staff will listen to the child and make an initial note of their concerns, they will then discuss next steps with them and reassure them that they will be supported. In line with the statutory guidance provided in [Keeping children safe in education 2024](#), we will never promise a child that we will not tell anyone about a report of any form of abuse, as this may not be in the best interests of the child. The member of staff will make a formal record of the concern/report on the school's recording system (CPOMs) and other relevant members of staff will be alerted. The member of staff will directly alert the school's Designated Safeguarding Lead if the report is deemed urgent or if a child is considered at risk.

We understand that some children may find it difficult to tell a member of staff about their concerns verbally, we therefore have additional reporting mechanisms in place. Our school have worry monsters/worry box where the child can put their name/class/a brief note about their concerns/draw a picture of their concern – these worry monsters/worry box are introduced to the children at the start of the year and children are reminded of them regularly.

Parents/carers

We understand that parents and carers may well struggle to cope with making or receiving a report that their child has been the victim (has been harmed) of or is an alleged perpetrator (has allegedly harmed a child or children) of child-on-child abuse.

In line with the statutory guidance provided in [Keeping children safe in education 2024 \(Part 5, page 111 - 142\)](#), we will seek advice and support from other services as decided on a case-by-case basis. All decisions and actions taken by the school will consider the needs of the individual children involved, and the wider school community.

We ask that if parents/carers have concerns about their child experiencing or allegedly perpetrating child-on-child abuse, that they contact the school's Designated Safeguarding Lead/Deputy (in person/via telephone call/via email) to explain their concerns. The Designated Safeguarding Lead/Deputy will take an initial note of the concerns but may ask to schedule a meeting to allow for more time to discuss the concerns in detail. Following the report and/or the meeting, the Designated Safeguarding Lead/Deputy will make a formal record of the report on the school's recording system (CPOMs) and other relevant members of staff will be alerted. The Designated Safeguarding Lead/Deputy will seek advice from Statutory Services if the report is deemed urgent or if a pupil is considered at risk.

We ask that parents/carers speak directly to the school with their concerns rather than discussing them with other members of the school community in person or online.

Our school remains committed to supporting pupils and their families in all instances of child-on-child abuse. We will endeavour to ensure that all parties are kept informed of progress and any developments, but we will also need to show due regard to GDPR (General Data Protection Regulations) and ongoing investigations by statutory services. This may mean, at times, that we are not able to provide or share information or updates.

If a parent/carer is not satisfied with our school's actions, we ask that they follow our school's complaint policy and procedures. This is available online from our school website and on request from the school office.

Staff

Our staff work closely with our children and therefore may notice a change in a child's behaviour or attitude that might indicate that something is wrong before receiving a report from a child or a member of the school community. If staff have any concerns about a child's welfare or are concerned that a child is displaying behaviours that may show they have been the victim of (are being harmed/has been harmed) or that they are perpetrating (are harming/have harmed a child or children) child-on-child abuse, they should act on them immediately rather than wait to be told.

We ask that staff report their concerns to a Designated Safeguarding Lead/directly to the Head teacher. The member of staff receiving the report will take an initial note of the concerns and will then make a formal record of the report on the school's recording system (CPOMs/My Concern etc.) and other relevant staff members will be alerted. The Designated Safeguarding Lead/Deputy will seek advice from Statutory Services if the report is deemed urgent or if a pupil is considered at risk.

Visitors

We ensure that all visitors to our school are aware of our Child Protection and Safeguarding procedures and which staff member they should report any concerns to (the member of staff may differ depending on the purpose of the visit e.g., supply teacher, governor, external agency etc.).

We ask that if a visitor to our school has any concerns about child-on-child abuse that they have witnessed, or have been told about, that they report their concerns at the earliest opportunity in person to the school's Designated Safeguarding Lead/the Head teacher/a member of the Senior Leadership Team. We ask that visitors report their concerns in person by the end of the school day. For example, it would not be appropriate to wait until the following day or leave a written note with concerns. The member of staff receiving the report will take an initial note of the concerns and will then make a formal record of the concerns on the school's recording system (CPOMs/My Concern etc.) and other relevant staff members will be alerted. The Designated Safeguarding Lead/Deputy will seek advice from Statutory Services if the report is deemed urgent or if a child is considered at risk.

Recording and evaluating:

We will ensure a written report is made as soon after the disclosure as possible, recording the facts as presented by the child. These may be used as part of a statutory assessment if the case is escalated. We will ensure the Designated Safeguarding Lead (or deputy) will be informed as soon as possible, if they were not involved in the initial report. At Ernehale Flying High Academies all concerns are reported on the electronic system CPOMs. We will ensure that details of decisions made and reasons for decisions are recorded as well as any outcomes.

We will ensure that any 'safety plans' are recorded electronically and kept under review. 'Safety plans' will be stored on CPOMs.

Strategies for Prevention:

At Ernehale Flying High Academies we actively seek to raise awareness of and prevent all forms of child-on-child abuse by:

- **Staff training** – including for supply staff, governors or management committees, volunteers, and visitors. Give specific details of the information and training to be provide. This includes:
 - All forms of abuse, neglect, or exploitation
 - Contextual safeguarding ('harms outside the home' or extra-familial harm)
 - Identification and classification of specific behaviours

- Making it clear there is a **zero-tolerance approach** to child-on-child abuse (especially in relation to Sexual Violence and Sexual Harassment) that it is **never** acceptable and will not be tolerated. Ensuring it is **never** passed off as “banter,” “just having a laugh,” “a part of growing up” or “boys being boys.”
 - Recognising, acknowledging, and understanding the scale of harassment and abuse and that even if there are no reports it does not mean it is not happening, it may be the case that it is just not being reported
 - Challenging physical behaviours (potentially criminal in nature) such as grabbing bottoms, breasts, and genitalia, pulling down trousers, flicking bras and lifting up skirts
 - Challenging the attitudes that underlie such abuse (both inside and outside of the classroom)
 - Ensuring that the Governing body / proprietors / management committee are aware of their statutory safeguarding responsibilities (effective child protection policy – child-on-child abuse policy)
 - Ensuring that all child-on-child abuse issues are fed back to the safeguarding lead/team so that they can spot and address any concerning trends and identify those children who may need additional support
 - Training and regular updates regarding inline risks, harms, and technology-assisted abuse, and appropriate signposting of further support and advice in relation to online safety
- **Information for children** – this includes:
 - Promoting our Ernehale Flying High Academies ABC values at all times including through assemblies and our behaviour policy.
 - Creating an ethos and culture in which all children feel able to share their concerns openly, in a non-judgemental environment, and have them listened to
 - All children are frequently told what to do if they witness or experience any form of child-on-child abuse, the effect that it can have on those who experience it and the possible reasons for it
 - They are regularly informed about the school’s approach to all forms of child-on-child abuse, including the school’s zero-tolerance approach towards all forms of child-on-child abuse, the process for reporting their concerns of child-on-child abuse and where to go for further help, support, and advice
 - Educating all children about the nature and prevalence of child-on-child abuse via a well embedded RHE/RSHE curriculum, PSHE curriculum or wider curriculum
 - Challenging the attitudes that underlie such abuse (both inside and outside of the classroom)
 - Teaching of age-appropriate information regarding online risks, harms and technology-assisted abuse, and appropriate signposting of further support and advice in relation to online safety
- **Information for parents/carers** – this includes:
 - Talking to parents, both in groups and one-to-one
 - Providing opportunities for parents to be involved in the review of school policies and lesson plans; and
 - Encouraging parents to hold the school to account on this issue
 - Asking parents what they perceive to be the risks facing their child and how they would like to see the school address those risks
 - Challenging the attitudes that underlie child-on-child abuse – in school and/or the wider community
 - Ensuring parents /carers are aware of the ethos and culture of the school or college
 - Sharing of regular information regarding inline risks, harms and technology-assisted abuse, and appropriate signposting of further support and advice in relation to online safety
- **RHE (Relationships and Health Education) / RSHE curriculum** -
 - We have a clear set of values and standards, upheld, and demonstrated throughout all aspects of school life, which is supported by a planned programme of evidence based RSHE curriculum
 - Our RHE/RSHE/PSHE programme is fully inclusive and developed to be age and stage of development appropriate (especially when considering children with SEND (Special Educational Needs and Disabilities) and/or other vulnerabilities)

- We will, through our RHE/RSHE/PSHE programme promote:
 - Healthy and respectful relationships
 - Boundaries and consent
 - Equality and raise awareness of stereotyping and prejudice
 - Body confidence and self-esteem
 - How to recognise an abusive relationship, including coercive and controlling behaviour
 - The concepts of, and laws relating to – sexual consent, sexual exploitation, abuse, grooming, coercion, harassment, rape, teenage relationship abuse (intimate personal relationships between children), and how to access support, and
 - What constitutes sexual harassment and sexual violence and why these are always unacceptable

Breaches / Complaints:

Breaches to this policy will be dealt with in the same way that breaches of other school policies are dealt with, as determined by the Head teacher and Governing Body.

If a parent/carer is not satisfied with our school's actions, we ask that they follow our school's complaint policy and procedures. This is available online from our school website, and on request from the school office.

This is intended to be used as a guide only. Please refer to the guidance tool at <https://www.brook.org.uk/our-work/the-sexual-behaviours-traffic-light-tool>

Behaviours: age 0 to 5

All green, amber and red behaviours require some form of attention and response. It is the level of intervention that will vary.

What is a green behaviour?

Green behaviours reflect safe and healthy sexual development. They are:

- displayed between children or young people of similar age or developmental ability
- reflective of natural curiosity, experimentation, consensual activities and positive choices

What can you do?

Green behaviours provide opportunities to give positive feedback and additional information.

Green behaviours

- holding or playing with own genitals
- attempting to touch or curiosity about other children's genitals
- attempting to touch or curiosity about breasts, bottoms or genitals of adults
- games e.g. mummies and daddies, doctors and nurses
- enjoying nakedness
- interest in body parts and what they do
- curiosity about the differences between boys and girls

What is an amber behaviour?

Amber behaviours have the potential to be outside of safe and healthy behaviour. They may be:

- of potential concern due to age, or developmental differences
- of potential concern due to activity type, frequency, duration or context in which they occur

What can you do?

Amber behaviours signal the need to take notice and gather information to assess the appropriate action.

Amber behaviours

- preoccupation with adult sexual behaviour
- pulling other children's pants down/skirts up/trousers down against their will
- talking about sex using adult slang
- preoccupation with touching the genitals of other people
- following others into toilets or changing rooms to look at them or touch them
- talking about sexual activities seen on TV/online

What is a red behaviour?

Red behaviours are outside of safe and healthy behaviour. They may be:

- excessive, secretive, compulsive, coercive, degrading or threatening
- involving significant age, developmental, or power differences
- of concern due to the activity type, frequency, duration or the context in which they occur

What can you do?

Red behaviours indicate a need for immediate intervention and action.

Red behaviours

- persistently touching the genitals of other children
- persistent attempts to touch the genitals of adults
- simulation of sexual activity in play
- sexual behaviour between young children involving penetration with objects
- forcing other children to engage in sexual play

Behaviours: age 5 to 9

All green, amber and red behaviours require some form of attention and response. It is the level of intervention that will vary.

What is a green behaviour?

Green behaviours reflect safe and healthy sexual development. They are:

- displayed between children or young people of similar age or developmental ability
- reflective of natural curiosity, experimentation, consensual activities and positive choices

What can you do?

Green behaviours provide opportunities to give positive feedback and additional information.

Green behaviours

- feeling and touching own genitals
- curiosity about other children's genitals
- curiosity about sex and relationships, e.g. differences between boys and girls, how sex happens, where babies come from, same-sex relationships
- sense of privacy about bodies
- telling stories or asking questions using swear and slang words for parts of the body

What is an amber behaviour?

Amber behaviours have the potential to be outside of safe and healthy behaviour. They may be:

- of potential concern due to age, or developmental differences
- of potential concern due to activity type, frequency, duration or context in which they occur

What can you do?

Amber behaviours signal the need to take notice and gather information to assess the appropriate action.

Amber behaviours

- questions about sexual activity which persist or are repeated frequently, despite an answer having been given
- sexual bullying face to face or through texts or online messaging
- engaging in mutual masturbation
- persistent sexual images and ideas in talk, play and art
- use of adult slang language to discuss sex

What is a red behaviour?

Red behaviours are outside of safe and healthy behaviour. They may be:

- excessive, secretive, compulsive, coercive, degrading or threatening
- involving significant age, developmental, or power differences
- of concern due to the activity type, frequency, duration or the context in which they occur

What can you do?

Red behaviours indicate a need for immediate intervention and action.

Red behaviours

- frequent masturbation in front of others
- sexual behaviour engaging significantly younger or less able children
- forcing other children to take part in sexual activities
- simulation of oral or penetrative sex
- sourcing pornographic material online

Behaviours: age 9 to 13

All green, amber and red behaviours require some form of attention and response. It is the level of intervention that will vary.

What is a green behaviour?

Green behaviours reflect safe and healthy sexual development. They are:

- displayed between children or young people of similar age or developmental ability
- reflective of natural curiosity, experimentation, consensual activities and positive choices

What can you do?

Green behaviours provide opportunities to give positive feedback and additional information.

Green behaviours

- solitary masturbation
- use of sexual language including swear and slang words
- having girl/boyfriends who are of the same, opposite or any gender
- interest in popular culture, e.g. fashion, music, media, online games, chatting online
- need for privacy
- consensual kissing, hugging, holding hands with peers

What is an amber behaviour?

Amber behaviours have the potential to be outside of safe and healthy behaviour. They may be:

- of potential concern due to age, or developmental differences
- of potential concern due to activity type, frequency, duration or context in which they occur

What can you do?

Amber behaviours signal the need to take notice and gather information to assess the appropriate action.

Amber behaviours

- uncharacteristic and risk-related behaviour, e.g. sudden and/or provocative changes in dress, withdrawal from friends, mixing with new or older people, having more or less money than usual, going missing
- verbal, physical or cyber/virtual sexual bullying involving sexual aggression
- LGBT (lesbian, gay, bisexual, transgender) targeted bullying
- exhibitionism, e.g. flashing or mooning
- giving out contact details online
- viewing pornographic material
- worrying about being pregnant or having STIs

What is a red behaviour?

Red behaviours are outside of safe and healthy behaviour. They may be:

- excessive, secretive, compulsive, coercive, degrading or threatening
- involving significant age, developmental, or power differences
- of concern due to the activity type, frequency, duration or the context in which they occur

What can you do?

Red behaviours indicate a need for immediate intervention and action.

Red behaviours

- exposing genitals or masturbating in public
- distributing naked or sexually provocative images of self or others
- sexually explicit talk with younger children
- sexual harassment
- arranging to meet with an online acquaintance in secret
- genital injury to self or others
- forcing other children of same age, younger or less able to take part in sexual activities
- sexual activity e.g. oral sex or intercourse
- presence of sexually transmitted infection (STI)
- evidence of pregnancy
