

At Ernehale, we aim to foster in each child a lifelong love of learning. We believe it is our responsibility to provide a happy and caring environment in which children not only feel secure, but enjoy themselves and therefore strive to achieve their very best in everything they do. With that we aim to:

- Promote tolerance, respect and honesty
- Nurture our pupils self-esteem and personal expectations
- Value diversity and promote a sense of belonging for all
- Instil a love of learning which will continue throughout life
- Celebrate learning in all its forms
- Develop enquiring and discriminating minds
- Offer an enhanced curriculum
- Equip pupils with the vision to recognise and embrace the potential of our ever changing world
- Encourage the confidence and desire to assess and take appropriate risks
- Nurture partnerships between home, school and the community

We are lucky to have a fantastic site with lots of different environments for the children to play and discover in. We have playgrounds, fields, trim trails, forest school and even an outdoor stage!
